CSIXGDG Presents: Placement Series Part - I: HireHustle

Event Venue: Dr. D Y Patil Institute of Technology, Pimpri

Date: October 16, 2023 - October 16, 2023

Tagline: Session on PDA and DTS role.

Introduction:

Under the collaborative banner of CSIXGDG, Computer Society of India (CSI) proudly presented Placement Series Part - I: HireHustle at the esteemed Dr. D Y Patil Institute of Technology, Pimpri. Meticulously organized, the event unfolded over two days of sessions, each meticulously crafted to equip participants with the essential skills and knowledge required to excel in the competitive placement process. Designed with a practical approach, the program combined theoretical insights, problem-solving exercises, and interactive contests, ensuring a holistic learning experience.

DAY 0 - Introduction in DPU Auditorium: (700 participants)

The introduction of the sessions took place in the auditorium, where 700 students participated. The session emphasized the significance of both technical and soft skills, preparing students for both behavioral and technical interviews. The introduction concluded with the commencement of the registration process, marking the official start of the engaging two-day session.

Day 1 - Classroom Session: (150 participants)

Participants were introduced to the fundamentals of Online Assessments (OA), a critical component of most recruitment processes. The session emphasized Important Topics and Previous Year Questions (PYQs), giving attendees a clear understanding of frequently tested concepts. A quiz followed, allowing participants to apply their learning immediately. The day concluded with a session on problem-solving techniques, offering strategies to efficiently tackle coding and technical challenges.

Day 2 - Classroom Session: (150 participants)

Day 2 focused on enhancing interview readiness. The Interview Questions Overview provided an in-depth look at both technical and HR interview formats, followed by competitive sessions like the Class Contest and Live Contest. These contests encouraged participants to apply their skills in real-time, simulating the high-pressure environments of placement drives. The day also featured a segment on Time Management, stressing its importance in both exams and interviews.

Conclusion:

CSIXGDG's Placement Series Part - I: HireHustle, held at Dr. D Y Patil Institute of Technology, Pimpri, on October 16, 2023, witnessed remarkable participation from over 150 enthusiasts, reflecting the technical passion within the CSI community. This event not only sharpened coding and problem-solving skills but also fostered a strong sense of camaraderie among participants. It created lasting memories of a day dedicated to technical growth and collaboration. Looking ahead, CSI aims to continue elevating the standards of innovation and excellence within our college community.
